## BDI's Core Programs

### Job and Career Services

Job and career programs provide our clients with an array of services to help them prepare to enter the workforce for the first time or to adapt their experience to a new career path. Training plans are tailored to each client's specific needs, interests, and strengths. Workforce resources services include career planning, specialized job training – including curriculum based programs and certifications, as well as hands-on trainings hosted at community employer partners – job connections services, and supported employment, which provides ongoing support to people with moderate to severe disabilities who are working in the community.

### Outreach Services

Outreach Services are a direct support program for individuals and families living with developmental disabilities. Outreach Specialists assist each participating family in identifying needs and preferences for services such as health care support, education, housing, transportation, budgeting, literacy skills development, employment training and job referral services. The goal of Outreach Services is to help maintain a cohesive family unit and to assist the individual to live at home in their community.

### Benefits Consulting

It is very challenging for families with disabilities to find and apply to government programs that could best benefit them. BDI Benefits Consultants research, explore and identify which benefits clients may be eligible to receive. BDI provides current and pertinent information that prepares clients to make the best decisions about benefit options. Benefits Consulting is provided on a fee for service basis and some scholarships are available.

Some of the primary benefits include:

- Social Security Administration Benefits
  - o Supplemental Security Income (SSI)
  - o Social Security Disability Income (SSDI)
  - o Medicaid Only Benefits
- Medicaid Waiver Programs
  - o Georgia Pediatric Program (GAPP)
  - o Deeming Waiver (formerly known as Katie Beckett)
  - o New Options Waiver (NOW)
  - o Comprehensive Supports Waiver (COMP)
  - o Independent Care Waiver Program (ICWP)
  - o Community Care Services Program (CCSP)
  - o Service Options Using Resources in a Community Environment (SOURCE)
- Family Support Services
  - o Family Support – Financial Assistance
  - o Family Support – Outreach Services

### Family Support

Family Support is a non-entitlement publicly funded program designed to assist individuals living with an intellectual/developmental disability maintain a cohesive family unit, both living at home and within a community setting. In order to be eligible for services, individuals must be:

- Three years of age or older
- Diagnosed with an intellectual/developmental disability
- Able to provide supporting documentation of intellectual/developmental disability diagnosis
- A resident of Clayton, DeKalb, Fulton, Gwinnett or Rockdale Counties.

### Georgia Community Trust

The Georgia Community Trust (GCT) is a pooled Special Needs Trust open to any Georgia resident living with a disability. GCT offers a dependable and affordable vehicle for providing financial security for individuals with disabilities, while preserving the benefits that they receive from the Social Security Administration and Georgia Medicaid.
